

ROBERT KAM

Robert Kam is a video and film producer experienced in writing, directing, acting, editing, motion graphics and music composition. He began producing short films at the age of 11 using a VHS-C camcorder and editing using 2 VCR's and a sound mixer.

He is passionate about community media and community access television. Robert currently works for Cablecast Community Media and serves as the Secretary on the national board of the Alliance for Community Media.

A member of the Olympia community for close to 20 years, Robert is also very active in community theater, and you may see him on the stage performing with local community theater troupes or singing Karaoke at one of the local Karaoke venues.
