

COMMUNITY OUTREACH COMMITTEE: LED BY MICHAEL NEUMANN

Michael Neumann grew up in the Pacific Northwest where he was raised and taught by two artists. He takes pride in his artistic roots and has been a part of the visual arts industry for over 20 years in various capacities. He has worked as a color calibration specialist, lighting expert, Director of Photography, and he currently runs the production company, GET REEL LLC.

Over the past few years, Michael has dedicated countless hours of his expert knowledge to the Olympia film community, and he desires to continue working alongside the talented members to continue bringing creativity to life.
